WEB TOOLS LIVE NOW

FREE & OPEN SOURCE

AEOCheck

Audit your site for the agent web.

Free website analysis for AI discovery and answer engine optimization. It shows how AI systems find and cite your content, and what to change so they do it more.

01 A to F grade

See where you stand in one scan.

02 Actionable fixes

Prioritized changes, not a wall of warnings.

03 Pairs with AVL

The natural next step after an audit.

WHO IT'S FOR

Site owners and marketers who want to show up in AI answers.
