Stop Asking AI

Stop asking AI. Start working with it.

Bring a half-formed idea, talk it through until something clicks, then hand AI the real work. Free lessons from years of working this way, mistakes included.

01 A conversation, not an order
How to get from a messy idea to a real brief.

02 Mistakes included
What went wrong, not just the wins.

03 Updated as we learn
A running field guide.

WHO IT'S FOR
Business owners and teams who want better results from AI than one-shot asks.
