FREE & OPEN SOURCE

Tiiny Brain

Your own notes, held by the machine on your desk.

Point it at a folder of Markdown. It reads every note, finds the names that keep turning up, and answers questions with citations back to your notes. Nothing leaves the machine.

01 Reads everything
Every note in the folder, indexed.

02 Answers with citations
Each answer points back to the note.

03 Stays private
Nothing leaves the device.

WHO IT'S FOR
Tiiny owners who keep their life in Markdown.
