ZipGuard

SECURITY IN DEVELOPMENT

FREE & OPEN SOURCE

ZipGuard

Keep the trouble out. Let your people in.

A privacy-first Discord security bot. It checks members inside Discord, explains every decision, and leaves moderators in control. No IP collection and no ads.

01 Security without surveillance
No IP collection, VPN-friendly.

02 Explainable decisions
Moderators see why a member was flagged.

03 Free for every server
No ads, no paid tier.

WHO IT'S FOR
Discord server owners and moderators.

PRICING
Free
Free for every server
