PITCH SLICK

AI Launch Labs

Your idea. Live in 14 days.

We build production-grade MVPs, SaaS platforms, and AI applications in 14 days for one flat fee. If it isn't deployed by day 14, you get a full refund.

01 Days 1 to 2: Clarity
Strip the idea to its most valuable feature.

02 Days 3 to 10: Build
Auth, database, workflows, integrations, and polished UI.

03 Days 11 to 12: Launch assets
Landing page, analytics, and a pitch narrative.

04 Days 13 to 14: Ship
Deployed, documented, clean repo, zero lock-in.

WHO IT'S FOR
Founders with an idea who need a real product, not a prototype.
