CallScrub

Every call scored. Every rep coached.

CallScrub transcribes and scores every customer call against what your business needs to capture, then hands managers the coaching instead of the homework.

01 Automatic transcription
Speaker labels and timestamps, in English and Spanish.

02 Configurable scoring
Management sets the questions every call must cover.

03 AI coaching notes
Specific recommendations per call, ready for a one-on-one.

04 Sentiment timeline
Rep and customer tone at the start, middle, and end.

WHO IT'S FOR

Teams that live on the phone: auto service, law firms, accounting and tax, home services.
