PITCH SLICK

Evitrace

Put a real name behind the number.

Phone-record evidence attribution for TCPA and MCA harassment cases. Evitrace resolves disposable numbers to the real operators behind them through shared scripts and callback domains.

01 Call and text logs

Organize the evidence for each matter.

02 Operator attribution

Connect throwaway numbers to who is really calling.

03 Built for litigation

Organized by matter, ready for counsel.

WHO IT'S FOR
