PITCH SLICK

Lion.Report

Weekly status, without the chase.

A weekly status reporting tool that collects each person's update and delivers one clear report, so nobody spends Friday chasing it.

01 Collects updates
Everyone reports in one place.

02 One clear report
A single weekly summary for managers.

03 No chasing
The report arrives on schedule.

WHO IT'S FOR
Teams and their managers who need a reliable weekly picture.
