PITCH SLICK

PayPunch

Precision time tracking for modern payroll.

Multi-tenant time tracking for bookkeeping companies that run payroll for many clients. Field workers log hours on their phones, and the hours export straight to QuickBooks.

01 Mobile time capture
Workers clock in from the app, with GPS verification.

02 QuickBooks export
One-click IIF export into QuickBooks.

03 Every client in one place
Built multi-tenant for bookkeeping firms.

04 Payroll reports
Hours and totals ready for review.

WHO IT'S FOR
Bookkeeping firms managing payroll across many client companies.
