PITCH SLICK

PressLoom

Plan. Draft. Review. Publish.

PressLoom plans your content calendar, drafts articles, puts them in front of you for review, and publishes them to your site automatically.

01 Plan
Topics and a content calendar.

02 Draft
Article drafts generated for you.

03 Review
Nothing goes out until you approve it.

04 Publish
Straight to WordPress or a Git-Markdown site.

WHO IT'S FOR

Businesses that need steady, search-friendly content without a content team.
