PITCH SLICK

Shelvie

A place for everything.

Shelvie, the bookkeeper's bookkeeper, is an AI-assisted review and collaboration platform that turns month-end into an orderly, explainable close for bookkeeping firms and their clients.

01 Import

Bring in a QuickBooks P&L detail export and preview the month.

02 Review

Shelvie sorts and categorizes the pile.

03 Ask in context

Questions to the client stay attached to the transaction.

04 Traceable close

Every classification can be explained.

WHO IT'S FOR

Bookkeeping firms tired of the month-end scavenger hunt.
