PITCH SLICK

Tideseal

Contracts and client documents, sealed.

Create, send, and store contracts and client documentation in one place, including onboarding questionnaires like Titanium's phone setup intake.

01 Contracts

Create and store client agreements.

02 Client documentation

Keep onboarding documents together.

03 Questionnaires

Collect setup details before kickoff.

WHO IT'S FOR

Service businesses that onboard clients with contracts and paperwork.

PRICING

Contact for pricing

Commercial

GOOD TO KNOW

- Used in Titanium's own client onboarding
