PITCH SLICK

Titanium Bot

Teach it the job once. It does the job.

A main agent called Titan, with room for twelve more bots beside him. They answer the mail, run the weekly jobs, do the research, and tell you what they did.

01 Titan
A main agent you talk to from your phone.

02 Twelve more bots
Add specialists for marketing, research, or follow-ups.

03 Weekly jobs
Reports, chasers, and follow-ups that actually go out.

04 Tells you what it did
Every task ends with a report.

WHO IT'S FOR
Small businesses with a list of work that never gets done.

PRICING
Beta seats available

Subscription

GOOD TO KNOW
- Decisions run through JDE, open source
