PITCH SLICK

Titanium University

The element needed to keep your team running.

A training portal that keeps an IT team's skills and know-how current. It trains Titanium's own staff today, with accounts issued by an administrator.

01 Team training

Courses and know-how for the whole IT team.

02 Admin-issued accounts

Access is managed, not open sign-up.

03 Built by an MSP

Training drawn from real service work.

WHO IT'S FOR

IT teams that need new hires productive fast and veterans kept current.

PRICING

Internal today, client version planned

Titanium internal

GOOD TO KNOW
